

After visiting a doctor and retrieving a [Medical Marijuana Authorization Form](#), stop into Shawn Kemp's Cannabis Belltown or SODO locations to speak with our Medical Cannabis Consultants about getting your Medical Card. Having your information reviewed and entered into the Department of Health's Medical Database affords the medical patient the [following benefits](#):

- Purchase products at the medically endorsed retail stores [sales and use tax free](#).
- Purchase up to three times [the current limits](#) at licensed retail stores with a medical marijuana endorsement.
- Purchase [high-THC products](#)—when available.
- Possess six plants and eight ounces of usable marijuana. A healthcare practitioner may authorize additional plants to a maximum of 15; a patient so authorized may possess up to 16 ounces of usable marijuana produced from their plants (see [RCW 69.51A.210](#)).
- Participate in a [medical marijuana cooperative](#) (see [RCW 69.51A.250](#)).
- Have arrest protection (see [RCW 69.51A.040](#)).
- Purchase immature plants, clones and seeds from a state licensed producer (see [RCW 69.51A.310](#))”

We are available to make cards Monday-Friday from 10AM to 3PM.

It takes approximately 30-40 minutes to obtain the medical card.

Please bring a valid form of ID and your signed Medical Marijuana Authorization Form from your doctor or provider.

The cost for issuing or replacing a medical card with the Washington [Department of Health](#) will be \$1.00
